

SUPER CLEAR-IT Tabex® TECHNICAL DATA SHEET

What is Super Clear-It?

- ◆ a superior 4-in-1 clarifier in swimming pools, spas, fountains, water parks, ponds, aquariums, and similar facilities
- ◆ clarifies cloudy water, removes metals, eliminates oil and improves filter efficiency

How does Super Clear-It work?

- ◆ Super Clear-It has specially formulated biopolymer Molecular structure that allows for a variety of uses
- ◆ effective at both coagulating tiny particles and oily liquids, as well as sequestering stain causing metals like copper, zinc and manganese
- ◆ prevents water dulling soaps and oils to deposit on surfaces and allows the filter to trap these impurities without clogging

Dosage Rates

- ◆ clean or backwash filter if applying initial dose
- ◆ add 30 mL of Super Clear-It for every 20, 000 L of pool water, and dilute in 20L bucket of water
- ◆ pour solution around the edge of the pool or sprinkle on water's surface
- ◆ allow at least 6 hours of continuous filtration for best results
- ◆ under normal conditions, use Super Clear-It once every two weeks to maintain sparkling clear swimming pool water

When can I use the pool?

- ◆ the pool is safe 15 minutes after treatment

When do I use it?

- ◆ should be added any time the water appears cloudy or discolored, especially after a heavy rainfall, before a pool party, after a shock treatment, or whenever algae is suspected
- ◆ regular use of Super Clear-It will maintain sparkling, crystal-clear water, with no hassles
- ◆ ****NOTE**** Make sure to backwash your filter regularly as it is working at a more efficient level
