JOB POSTING:

Service Technician – Bench Work

Automated Aquatics is seeking an innovative and self-motivated individual to join our team as a full-time Bench Service Technician. This role is focused on hands-on equipment repair and includes assisting with essential warehouse operations. This offers a dynamic work environment for those with a passion for mechanical problem-solving and organizational efficiency. The ideal candidate has exceptional mechanical aptitude, enjoys working with their hands and problem-solving. The successful candidate is someone who enjoys fixing things and has experience with various types of tools.

Key Responsibilities:

Equipment Repair:

- Conduct thorough diagnostics and repairs on a variety of aquatic equipment, including:
 - Underwater vacuums
 - Metering equipment
 - Swimsuit dryers
 - Other specialized aquatic devices

Warehouse Operations:

- Assist with shipping and receiving processes, including packing and preparing orders.
- Operate pallet jacks, forklifts and assist in offloading trucks
- Maintain warehouse cleanliness and organization

Qualifications

- Experience & aptitude with mechanical repairs (required). Related trades/certifications an asset.
- Proficiency in troubleshooting and repairing small to medium-sized equipment
- Ability to operate warehouse equipment safely and efficiently. Forklift Operator training an asset.

- Basic computer skills required for managing repair documents, repair notes, etc.

Ideal Candidate Profile

We're seeking an individual who demonstrates:

- **Innovation:** Creative problem-solving skills for unique repair challenges
- **Independence:** Self-motivation and ability to work with minimal supervision
- **Entrepreneurial Spirit:** Proactive approach to improving repair processes and warehouse efficiency

Essential Qualities

- Strong attention to detail in repair work
- Excellent organizational skills
- Ability to prioritize tasks in a fast-paced environment
- Physical capability to lift and move equipment and materials
- Adaptability to changing workloads and priorities
- Effective communication skills with team members and customers

Work Environment

- Full-time, permanent position
- Primarily indoor work with occasional outdoor tasks
- Potential for flexible hours based on repair and shipping demands

Additional Requirements

- Valid driver's license may be required for occasional local travel
- Ability to stand for extended periods and lift up to 50 lbs regularly
- Police and security clearances may be necessary

Compensation & Benefits:

- Wage: \$32.00-\$39.89 per hour average compensation
- Performance based profit-sharing program
- Health spending account
- Team events throughout the year

Join our team and dive into a role where your technical expertise and organizational skills can make a significant impact on our operations and customer satisfaction
