JOB POSTING:

Aquatic Service Technician - Journeyman Plumber/Gasfitter

Automated Aquatics is seeking a dynamic and innovative Journeyman Plumber/Gasfitter to join our team as a full-time Service Technician. We're looking for an entrepreneurial spirit who can revolutionize our approach to installation, repair, maintenance, and consultation for commercial and semi-commercial aquatic facilities.

Key Responsibilities

As our Aquatic Service Technician, you will be engaged in diverse and challenging tasks, including:

- Installing large pumps & filters for commercial aquatic systems
- Designing and implementing extensive PVC piping systems up to 12" in diameter
- Performing heater/boiler installations including gasfitting
- Installing chemical metering and control systems
- Conducting general pool service and maintenance as required
- Troubleshooting and repairing complex aquatic systems

Qualifications

- **Journeyman Certificate** in plumbing & gas fitting (required). Other Journeyman tickets may be considered with appropriate relevant experience.
- Experience with large diameter PVC piping & swimming pool or water treatment systems (asset).
- Swimming pool/recreation experience (asset)
- AARFP Pool Operator 1 & 2 certificates (asset)
- Proficiency in basic computer programs (required)

Ideal Candidate Profile

We're seeking an individual who embodies:

- **Innovation:** Ability to develop creative solutions for complex aquatic systems

- **Independence:** Self-motivated with strong problem-solving skills
- **Entrepreneurial Spirit:** Proactive in identifying opportunities for service improvement and business growth

Essential Qualities

- Adaptability to dynamic situations
- Strategic planning and execution skills
- Critical thinking and autonomous problem-solving abilities
- Excellent communication and attention to detail
- Openness to giving and receiving constructive feedback
- Capability to work both independently and collaboratively
- Results-driven mindset
- Project leadership potential

Work Environment

- Full-time, permanent position
- Flexible hours to meet client needs
- Travel required, including occasional overnight stays

Additional Requirements

- Valid Class 5 Driver's License
- Ability to stand for extended periods and lift up to 50 lbs regularly
- Police and security clearances may be necessary

Compensation & Benefits:

- Wage: \$46.81-\$57.07 per hour average compensation
- Company vehicle
- Performance based profit-sharing program
- Health spending account
- Team events throughout the year

Join our team and dive into a career where your innovative ideas and technical expertise can make waves in the aquatics industry! Your entrepreneurial approach will be crucial in enhancing our service offerings and driving business growth.
